ANSWER

COMES NOW, Defendant RYAN TEEL (Defendant), by and through his undersigned counsel, Jim Davis and Ian Brendel and pursuant to the Federal Rules of Civil Procedure, and file this Answer, Defenses and Affirmative Defenses to Plaintiff's Complaint, and would say, as follows, to-wit:

FIRST DEFENSE

To the extent Plaintiff raises any claims under Mississippi law, Plaintiff has failed to comply with the requirements of the Mississippi Tort Claims Act, Mississippi Code Ann. Section 11-46-1, et. seq., including the notice requirements of Section 11-26-11.

SECOND DEFENSE

The Complaint and Amended Complaint, and all attachments should be dismissed for failure to state a complaint upon which relief can be granted pursuant to Rule 12(b)(6) of the Federal Rules of Civil Procedure.

THIRD DEFENSE

The Defendant specifically reserves and invoke all other rights and defenses available unto them, including but not limited to, those set forth in Rules 8 (c), 12(b), and 19 of the Federal Rules of Civil Procedure, the Mississippi Code Annotated of 1972, as amended, including the Mississippi Tort Claims Act, the United States Code, an/or common law, for which a good-faith legal and/or factual basis exists in their favor.

FOURTH DEFENSE

That at all times relevant to Plaintiff's claims, the answering Defendant acted in a reasonable manner and in good faith while in the course and scope of their employment and in the execution of their official duties, and therefore, the answering Defendant is immune from liability.

FIFTH DEFENSE

The subject of Plaintiff's Complaint does not involve any implementation or execution of any policy, statement, ordinance, regulation, or decision officially adopted and/or promulgated by these Defendants. These Defendants neither promulgated nor condoned any policy, custom, or usage, or the implementation thereof, which allegedly resulted in any

constitutional violations or deprivations of Plaintiff.

SIXTH DEFENSE

Any acts or omissions by these Defendants are not the sole and proximate cause of, or in the alternative, the proximate contributing cause of any injuries to the Plaintiff, or any alleged injuries or damages to the Plaintiff, so that these Defendants are not liable to the Plaintiff.

SEVENTH DEFENSE

These answering Defendants plead all applicable privileges and immunities under both state and federal law, including but not limited to, the common law and statutory doctrine of sovereign immunity, absolute immunity, and qualified immunity.

EIGHTH DEFENSE

The Plaintiff lacks standing to pursue this civil action.

NINTH DEFENSE

These answering Defendants would state that the Sheriff is the only policymaker at the Harrison County Sheriff's Department and no other Defendants or any other individual's conduct can be characterized as that of a policymaker. Therefore, these answering Defendants' conduct cannot attribute liability to the Harrison County Sheriff's Department or Harrison County, Mississippi, itself. In the alternative, in the event any of these answering Defendants is deemed to have been a policymaker at the Harrison County Adult Detention Center during the time complained of, then all allegations of official capacity liability against these answering Defendants are denied.

CONCLUSION

Defendant denies each and every allegation in the general “CONCLUSION” clause of Plaintiff’s complaint.

PRAYER FOR RELIEF

Defendant denies each and every allegation in the general “WHEREFORE PREMISES” clause, including subparagraphs 1 through 8, and denies Plaintiff is entitled to any damages whatsoever.

AFFIRMATIVE DEFENSES

AND NOW, having answered the Complaint, these answering Defendants assert the following affirmative defenses to be shown and proven at a trial or a hearing of this matter.

I.

Neither these Defendants nor the Plaintiff can demonstrate the existence of any policy, custom, or usage of the Harrison County Sheriff’s Office which later could have led to the alleged constitutional deprivation of which Plaintiff complains, and therefore, Plaintiff cannot maintain a claim against these answering Defendants pursuant to 42 U.S.C. Sec. 1983.

II.

These Defendants invoke the provisions of Section 85-5-7, Miss. Code Ann. of 1972, as amended, thus reserving any claims for apportionment, contribution and/or indemnity as to other

named or unnamed tortfeasors.

III.

These Defendants plead all applicable privileges and immunities under both state and federal law, including but not limited to, the common law and statutory doctrines of sovereign immunity, absolute immunity, and qualified immunity. These Defendants state that they are protected by sovereign and absolute immunity. The Defendants, in their individual capacities, state that they are protected by qualified immunity against any claims for penalties, damages, punitive damages, attorney's fees, or any other damages as requested in the Plaintiff's Complaint.

IV.

To the extent the Complaint, raises any claim under Mississippi law, these Defendants specifically plead all protections to which they are entitled pursuant to Section 11-46-1, et. seq. of the Mississippi Code of 1972, commonly known as the Mississippi Tort Claims Act, including, but not limited to, all notice requirements; all exemptions from the waiver of sovereign immunity; all statutes of limitations; the Defendants' right to a bench trial; and all limitations on liability contained therein.

V.

The Defendants specifically plead Miss. Code Ann. Section 11-46-9(1) which exempts governmental entities from the waiver of sovereign immunity for any claim arising out of any act or omission of an employee of a governmental entity engaged in the performance or execution of duties or activities relating to police or fire protection, unless the employee acted in reckless disregard of the safety and well-being of any person not engaged in criminal activity at the time of injury.

VI.

The Defendants specifically plead Miss. Code Ann. Section 11-46-9(1)(d) which exempts governmental entities from the waiver of sovereign immunity for any claim based upon the exercise or performance or the failure to exercise or perform a discretionary function or duty on the part of a governmental entity or employee thereof, whether or not the discretion be abused.

VII.

The Defendants specially plead Miss. Code Ann. Section 11-46-9(1)(m) which exempts governmental entities from the waiver of sovereign immunity for any claim of any claimant who at the time the claim arises is an inmate of any detention center, jail, ... or other such institution, regardless of such claimant is or is not an inmate of any detention center, jail, ... or other such institution where the claim is filed.

VIII.

The Defendants would show that at all times while dealing with the Plaintiff or any other inmate at the Harrison County Adult Detention Center, Defendants acted in a professional manner and conducted any and all of their interactions with the Plaintiff in accordance with the professional standards for inmate medical care, management and/or supervision, and the applicable grievance procedures. Plaintiff's treatment was a result of and was entirely justified by the legitimate penological needs of the Harrison County Adult Detention Center in securing individuals who presented a risk to other inmates or jail staff due to their criminal histories and their demonstrated efforts to act defiantly. As such, to the extent any of Plaintiff's allegations are later proven to be true, they were entirely justified under the circumstances and in no way violated the Plaintiff's rights or any other provision of federal or state law.

IX.

That the damages allegedly sustained by the Plaintiff are speculative and are not recoverable.

X.

Plaintiff's damages arise from a pre-existing condition of the Plaintiff of which these Defendants cannot be held liable.

XI.

Any acts or omissions by these Defendants are not the sole and proximate cause of, or in the alternative, the proximate contributing cause of any injuries to the Plaintiff, or any alleged injuries or damages to the Plaintiff; therefore, these Defendants are not liable to the Plaintiff.

XII.

The Defendants plead all applicable privileges and immunities under both state and federal law, including but not limited to, the common law and statutory doctrine of sovereign immunity, absolute immunity and qualified immunity.

XIII.

That Defendants reserve their right to seek a setoff and/or credit for any sums paid or any other things of value given to or conferred upon Plaintiff arising out of or in any manner related to this incident which otherwise served to reduce or mitigate Plaintiff's alleged damages. In addition or in the alternative, Defendants would affirmatively show that Plaintiff failed to mitigate his damages and Defendants are therefore entitled to all appropriate setoffs and/or credits or a reduction of Plaintiff's alleged damages, due to said failure to mitigate.

XIV.

Defendants specifically plead the doctrines of contributory and comparative negligence.

XV.

The Defendants would show that the Complaint, to the extent that Plaintiff seeks punitive or exemplary damages, violate certain provisions of the Constitution of the United States and the Mississippi Constitution, including, but no limited to, the following:

If violates the Defendants' protection from "excessive fines" as provided in the Eighth Amendment to the United States Constitution and Article 3, Section 28 of the Constitution of the State of Mississippi.

If further violates the Defendants' rights to substantive due process as provided in the Fifth and Fourteenth Amendments to the United States Constitution and the Constitution of the State of Mississippi.

If violates the Fourteenth Amendments as said Amendment guarantees the Defendants' equal protection of the law, and the Fourteenth Amendment would be violated by the imposition of punitive damages in that such a sanction is discriminatory and arbitrary in penalizing the Defendants on the basis of wealth.

XVI.

The Fourth, Fifth and Sixth Amendments form the basis for laws governing the process, convicting, and sentencing of criminal defendants, and to the extent that the Defendants are subjected to criminal sanctions through punitive damages, the burden of proof for imposing punitive damages is "beyond a reasonable doubt."

XVII.

None of the Plaintiff's alleged injuries are the result of any policy, custom, or usage of the Harrison County Sheriff's Office which led or could have led to the alleged constitutional

deprivations of which Plaintiff complains, and therefore, Plaintiff cannot maintain a claim against these Defendants pursuant to 42 U.S.C. Section 1983. The Harrison County Sheriff's Department had in place adequate policies and procedures which would have allowed Plaintiff to resolve his complaints, but Plaintiff failed to mitigate his damages by failing to utilize said policies and procedures.

XVIII.

To the extent the Plaintiff has not exhausted his administrative remedies, the Defendants would show that the Complaint should be dismissed.

XIX.

The Defendants specifically invoke and plead all defenses to which they may be entitled under the Prison Litigation Reform Act, 42 U.S.C. Section 1997e(e).

XX.

Defendants would show that Plaintiff was afforded all protections due him under the United States Constitution, that any actions by Defendants were reasonable, proper, and complied with any and all constitutional standards, and that there was no violation whatsoever of any of Plaintiff's constitutional or other rights. These answering Defendants would show that they were not deliberately indifferent, subjectively or otherwise, in any contact with Plaintiff, including any need for medical treatment. These answering Defendants would further show that all officers were properly and adequately trained and supervised. Additionally, these answering Defendants would show that any and all policies and procedures pertaining to the operation and the staff of the Harrison County Adult Detention Center were adequate, proper, reasonable, and conformed with any and all constitutional standards and/or requirements.

XXI.

Defendants would show that there can be no liability under Section 1983 under the doctrine of respondeat superior. Defendants would further show that they did not have actual, subjective knowledge of a substantial risk of serious harm to Plaintiff nor did they respond with subjective deliberate indifference to such a risk under any interpretation of the United States Constitution.

XXII.

The Defendants would show and aver that any damages incurred, the same being denied, were solely, directly, and proximately the result of the negligent and/or intentional acts or omissions of the Plaintiff and/or persons other than these answering Defendants, and were the sole proximate cause and/or substantial contributing cause of any incident complained of by the Plaintiff and any and all injuries sustained by the Plaintiff, if any, all of which are denied, and that these activities on the part of the Plaintiff and/or other persons absolve these answering Defendants herein of any liability whatsoever. In the alternative, the Plaintiff's damages, if any, all of which are denied, were proximately caused by an independent intervening and/or superseding cause such as to bar the Plaintiff's claims against these answering Defendants.

XXIII.

Defendants would show that any and all actions taken on their part were in a good faith effort to maintain order and discipline at the Harrison County Adult Detention Center.

XXIV.

Defendants specifically assert that any cause of action asserted by the Plaintiff is barred by the applicable statute of limitations.

XXV.

Defendants would state that the Sheriff is the only policymaker at the Harrison County Sheriff's Department and no other Defendants' or any other individual's conduct can be characterized as that of a policymaker. Therefore, these answering Defendants' conduct cannot attribute liability to the Harrison County Sheriff's Department or Harrison County itself. In the alternative, in the event these answering Defendants are deemed to be a policymaker at the Harrison County Adult Detention Center, all allegations of official capacity liability against them are denied.

XXVI.

In the event Plaintiff is seeking punitive damages, Plaintiff is prohibited from recovering these specific damages under federal law against these Defendants in their official capacities.

XXVII.

These Defendants specifically deny each and every material allegations of the Complaint which has not been specifically admitted, regardless of paragraph number or lack thereof.

XXVIII.

These Defendants would affirmatively show that, to the extent Plaintiff may have suffered any injury or damage, such was the result of Plaintiff's own failure to obey the lawful orders given to him by law enforcement officers acting in their official capacities. By verbally and physically resisting and refusing to comply with said officers' lawful orders, Plaintiff's own conduct was the proximate cause of any force which may have been used against him, and rendered any such force used entirely reasonable in light of the officers' one need to ensure their safety as well as to preserve order within the Harrison County Adult Detention Center.

XXIX.

At no time were any of these answering Defendants official policy makers for the Harrison County Sheriff's Office, nor did they ever have policy making authority.

XXX.

The Plaintiff lacks standing to pursue this civil action.

XXXI.

These Defendants further reserve the right to amend or supplement this Answer, Defenses and Affirmative Defenses as discovery and investigation continue.

WHEREFORE, RYAN TEEL files this, his separate Answer to Plaintiff's Complaint presented against him and upon final hearing, moves that the same be dismissed along with your Defendant with costs being assessed against the Plaintiff.

Respectfully submitted this the 16th day of May, 2008.
